

Disclaimer

The information in this presentation is solely educational and is not an offer for the sale of securities. Nothing in this presentation shall be construed as an offer for investment in Dhanani EB-5 International, LLC (the “Company”). Solicitations for investments will only be made through a Private Placement Memorandum provided to potential investors for such purpose.

The information contained in this information packet is confidential and is solely for the use of providing information about the EB-5 program and the Company’s business model and is not intended as, and should not be taken as, financial, investment, legal or any other type of advice or as an offer to sell or a solicitation to buy any securities. While the information contained in this presentation has been compiled from sources the Company believes to be reliable, neither the Company nor its representatives make any representations or warranties as to the accuracy or completeness contained herein. All financial information used in this information packet and projections are provided for reference only and are based on assumptions relating to the general economy, market conditions, and other factors beyond the Company’s control. Past performance does not guarantee or indicate future results. Any historical returns, expected returns, or probability projections may not reflect actual future performance. Investing involves risk, including loss of principal, and no assurance or representation is made by any person that any forecast or projection will be achieved. Therefore, nothing contained on this website should be relied upon as a promise, forecast, guarantee, or representation regarding the future.

Statements included in this presentation address activities, events, or developments that the Company anticipates will or may occur in the future. These statements are based on certain assumptions and analyses made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments. However, whether actual results will conform with these expectations is subject to several risks and uncertainties, many of which are beyond the control of the Company, including but not limited to risks endemic to real estate investing, variations in residential housing demand, general business cycles and interest rate changes. Thus, all the forward-looking statements made in this information packet are qualified by these cautionary statements. There can be no assurance that actual results of any investment program will conform to the Company’s expectations.
